

A VIEW OF THE FUTURE - BUT A TRIP BACK IN TIME
The Core ECS Client Briefing - Thursday 10th June 2010

I have pleasure in inviting you to join us on Thursday 10th June for the Core ECS Client Briefing 2010. Starting at 10 o'clock in Alton we will be providing a full general technology update for our clients, including a review of our product direction and developments over the next twelve months.

To round off the day you can enjoy a steam train trip on the Watercress Line and a relaxing lunch in the beautiful village of Alresford.

You will be receiving a personal invitation soon but if you would like to find out more, or even make an early reservation, please contact me at Madeleine.dowding@coreecs.co.uk or call me on 01420 83550. Alternatively, you can log onto www.coreecs.co.uk where you will find the agenda and a booking form.

I hope you can make it!

Regards,

Madeleine
